The link below will automatically default to the contracted dates. If guests need different dates, they can adjust the dates at the top of the page, select their desired stay, and click "Update." The \$179 rate will be honored on Wednesday and Sunday night as well.

Guests may book either through the link below or by calling the hotel directly at 815-668-7878 and mentioning the Hosta Society Convention or group code 932.

You have until 6/8/27 to make reservations or until the room block is full (even though we increased the number of rooms, we expect it could still sell out and if it does, the cost will likely increase to over \$200/night).
